

CEOx1Day

Learn from the UK's
most experienced leaders

CEOx1Day is designed to uncover some of the UK's most promising future leaders and give them an opportunity to walk in the shoes of a senior executive.

Undergraduates apply to spend a day with a top Chief Executive to learn about the responsibility and complexities required to lead some of Britain's leading business and organisations including Barnardo's, Visa, ITV and the Financial Times.

"Spending the day with the Kier Group was an absolute pleasure. I received exceptional hospitality and was given a thorough insight into how a multi-billion-pound corporation operates. The day consisted of: a visit to a construction site in Camden, a boardroom lunch where I met the housing team and a visit to Kier's brand new London HQ at Foley Street.

The experience was brilliant because I was able to develop my understanding of the company and gain career development advice simultaneously. Reflecting on my day with Kier, I'm grateful to Odgers Berndtson for the opportunity to have shadowed an accomplished CEO."

Vikesh Mistry spent the day with Haydn Mursell, Chief Executive Officer, Kier Group. Following his CEOx1Day experience, he is now a graduate trainee with Kier Group.

Send in your application by 5pm on Monday 6th January for
your chance to be CEO for one day.
