

# Managing Director

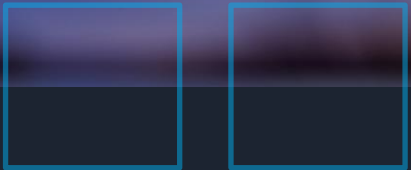

ODGERS BERNDTSON

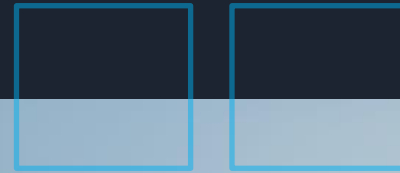

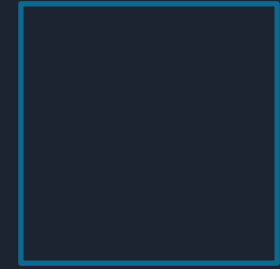

**SkeyDrone** is a joint venture between the Belgian Air Navigation Service Provider skeyes and Brussels Airport Company.

**SkeyDrone's** mission is to provide end-to-end solutions for all business needs related to the use of uncrewed aircraft (drones).

Playing a pivotal role in the implementation of U-space in Belgium, **SkeyDrone** is on track to make history by becoming one of the first U-space service providers in Europe.

Headquartered in Brussels, **SkeyDrone** is at the forefront of developing cutting-edge software and services allowing drone operators, authorities and companies with critical assets to seamlessly integrate, monitor and manage drones in the most safe, efficient and secure way.

In 2020, driven by the determination to maintain a leading position in technological advancements within the rapidly expanding aviation sector and to foster the growth of economically sustainable uncrewed aviation, **skeyes** launched its drone subsidiary **SkeyDrone**.

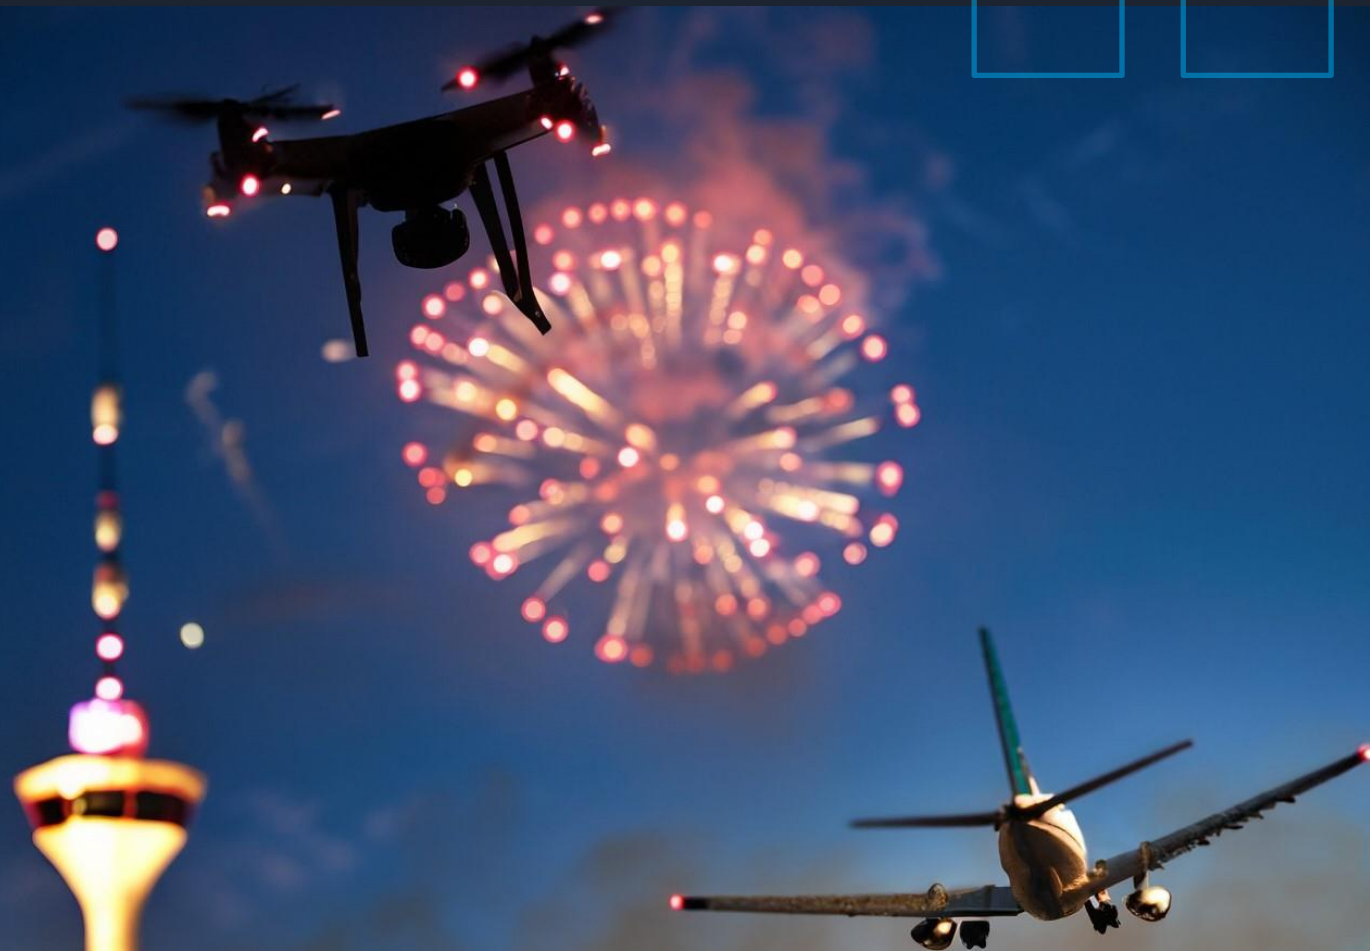

By 2022, **Brussels Airport Company** joined the partnership as a shareholder, aligning its vision with the company's growth ambitions.

SkeyDrone is looking for a **Managing Director** with the experience and leadership to scale its business in a rapidly developing sector and drive strategic expansion in Belgium and across Europe, while ensuring a financially sustainable company.

The **Managing Director** will work closely with the Board of Directors to shape and execute a growth strategy that positions **SkeyDrone** as a leader in the evolving drone industry.

The Managing Director at **SkeyDrone** is responsible for the daily management of the company, including developing and maintaining the company's 5-year business plan and annual budgets to ensure alignment with strategic goals.

This role involves developing and implementing the company's growth strategy, driving financial and operational performance with full Profit & Loss (P&L) responsibility.

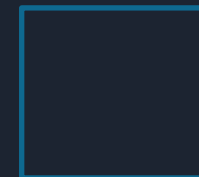

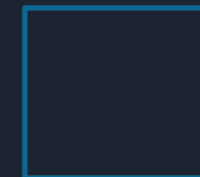

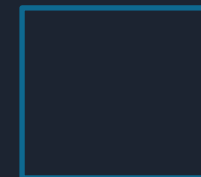

# The Role, at a glance

The focus will be on accelerating growth, securing strategic partnerships, and building a solid financial foundation, ensuring **SkeyDrone** remains at the forefront of this dynamic sector.

## Profile

- A minimum of 10 years of managerial experience in a similar position
- Experience in a developing sector, preferably in a highly regulated or emerging industry; prior experience in aviation, technology or defence sector is beneficial
- Proven ability to develop and execute business strategies for long-term growth
- Sound financial management skills and experience overseeing financial and budgetary processes
- Excellent communication and presentation skills (English, Dutch and French)
